## BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD ON APPEAL

### TRADEMARK EXAMINING ATTORNEY'S REQUEST FOR REMAND

INTERNATIONAL REGISTRATION NO. 1204325

The trademark examining attorney requests that the Trademark Trial and Appeal Board remand this case to the trademark examining attorney under 37 C.F.R. §2.142(d) for the reason(s) that follow:

In preparing the brief for this case, the trademark examining attorney determined that certain evidence of record intended to be attached to the Office action dated May 30, 2014 and referenced in that action was not attached due to a computer glitch and therefore does not appear in the record. Applicant did not advise the trademark examining attorney when it received the Office action that the evidence was not attached. As a result, she was unaware of that the evidence was not attached to the office action.

The trademark examining attorney respectfully requests remand of the case to place the evidence in the record.

Respectfully submitted,

/Gina Hayes/
